**RI President for 2016-17, John Germ, has chosen "Rotary Serving Humanity" as his theme and he states that, " Rotary members around the globe are serving humanity by providing clean water to underdeveloped communities, promoting peace in conflict areas, and strengthening communities through basic education and literacy. But none more important than our work to eradicate polio worldwide." What basic needs do you see in your own community that are unmet and that with intervention could improve the lives of our fellow citizens. What would that intervention look like?**
